

Diamonds Cosmetology College Programs

Cosmetology

Our Cosmetology program offers extensive hands-on experience to provide you with a complete understanding of the beauty industry. The program includes hair cutting, styling, color, texture services, nail care, skin care, business development, retail knowledge and the concept of gaining and retaining clients. The program incorporates theory with extensive practical training.

Program Description

The 1500 hour Cosmetology course is a program of 53 weeks that has instructor-led classroom and clinical training as well as practical hands-on application. Training encompasses three types of learning: theoretical knowledge, the foundation of the students' education; practical experience, the application of knowledge; and professional business building skills, vital for the students' success. Each phase of the students' education emphasizes a different combination of learning approaches. The Cosmetology program is comprised of hair and scalp treatments, rinses, shaping, styling, chemical waving and relaxing, coloring, facials, skin care, hair removal, manicuring/pedicuring, professional business-building skills in management and career development, and employable skills.

Program Objectives - This program's objectives are to prepare our students for the state licensing examination in cosmetology and provide the advanced training that will prepare them to enter into the field of cosmetology.

Students learn technical, personal, and business skills to graduate and enter the industry and start their new careers.
